

ANNOUNCEMENTS

To the Voters of Birmingham - Fellow Citizens:—At the request of many political friends, I announce myself a candidate to represent the county of Birmingham in the Senate of the next Legislature of the State.

The war being on us I am in favor of prosecuting it to a successful termination, and I am proud to say that North Carolina has shown as united a determination to do so as any State in the Confederacy, and would to-day stand first on the Roll of Honor and Sacrifice, but my

The misrepresentations of some evil disposed persons of the behavior of some of her best people, that have been too readily believed by the Executive at Richmond, and not sufficiently denied by our Ex-entire at Raleigh.

I am opposed to the suppression of the writ of *habeas corpus*, as sanctioned by Congress; and when we are told it was enacted to control an expression of sentiment in North Carolina, to control our elections, and to muzzle certain presses of the State, I think it a high time we should speak in tones of thunder against such encroachments on our personal freedom.

I think the representative should be held to a strict account by his constituents, and that they should know how he votes on all questions relating to the public interest.

I hold it is the right of the people to hold such meetings as they may deem to be in the interest of themselves and their country, whether peace or other meetings.

I believe we should have the moral courage to assume the position taken by Gov. Brown, Vice President Sherman, and W. W. Holden, Esq., if we would retain our honor, the Constitution of this State, or the laws of the land.

will liberty. I was so glad that we can obtain our independence. It is, therefore, upon the great issue of the day, civil liberty or a military despotism.

As I do not expect to be able to convince the Comtee, I have thus given you in the form of a circular some of my views upon the issues now pending; and in conclusion I will say, if elected, I will do all I can to advance the in-

South of North Carolina, to maintain its ancient river
 dignity, and to see the liberty and freedom of the citizen
 respected.
 Yours, most respectfully,
JAMES W. BURTON,

To the Voters of Davidson County, Citizens and Soldiers.—We, the undersigned, respectfully announce to you that we are candidates to represent you in the next Legislature of North Carolina. Our principles are strictly Conservative. We are for peace upon such terms as will satisfy a majority of the people; and will, if elected, use every effort to secure it. We

not afraid to trust the people, and will therefore vote to submit the question of "Convention or no Convention" to them if they desire it. We will do every thing in our power to advance what we believe to be the best interests of North Carolina. We hope our friends at home will give information to their friends in the army.
